

# My Journey Around Kenya

Where would you like to visit in Kenya?

Which places would you go to?

What would you do there?

You are going to plan an exciting journey around Kenya.

You can visit as many places (such as cities, national parks, rivers, lakes, mountains) as you like! You must visit 5 different places; you could visit more if you wish.

Trace your journey with your finger first.

Use a coloured pencil to draw the route on the map of Kenya. When you stop to 'visit' a place, write what that place is called, where it is in Kenya (in the North, near the coast etc.) and try and say why you would like to visit that place.

Place 1:	
Place 2:	
Place 3:	
Place 4:	
Place 5:
