

FRIENDS OF GRANTA SCHOOL NEWSLETTER

Friends of Granta School (Fogs) has been a bit quiet of late, so this is our first newsletter in a while!

During all the lockdowns & restrictions it has been tricky to organise fundraisers and gatherings but with Summer on the way & some of life back to normal we hope all that can change!

Check out our diary dates below for forthcoming events.

As always Fogs is keen to welcome new members who are keen to help with events or wish to manage their own fundraising. Every penny raised goes back to the children at Granta and over the years Fogs has been able to provide many things from new play equipment & toys, class trips, funding towards Creativity Week, Christmas gifts, car seats for our buses, school discos, pantomimes & much more!
Without the Friends of Granta Charity most of this would not be possible.

If you are interested in joining, please let us know. You can either pass your name and contact details to the school office or email me on joineryreynolds@outlook.com

We look forward to hearing from you 😊
