

# GRANTA SCHOOL CORE VALUES

## **Communicate**

- Facilitating and listening to every voice
- Encouraging choice making
- Respecting each other in every interaction
- Being clear, transparent and genuine
- Using the right channels and knowing your audience

## **Care**

- Being kind and compassionate to others and ourselves
- Supporting and looking after those in our community
- Responding to the individual
- Having patience in difficult situations
- Showing empathy to all
- Understanding each other's strengths, limitations and needs
- Valuing and celebrating diversity

## **Innovate**

- Thinking outside the box
- Being creative and taking risks
- Using ground breaking research
- Keeping up with new technologies
- Coming forward with new ideas
- Leading and motivating with new approaches

## **Achieve**

- Striving for excellence
- High aspirations for all
- Developing ourselves and others
- Personalisation and progress

## **Collaborate**

- Working cohesively as a team
- Sharing best practice
- Being part of a wider community
- Liaising with families, therapists, pupils and other agencies
- Being outward facing
- Involving all stakeholders
