

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Josh was disturbed by a commotion in the garden.

Josh began to question what he thought he had seen and heard out in the garden.

The cats moved into the neighbour's garden, leaving Josh in peace.

Josh tried to get some rest after breakfast.

Josh spoke to a pair of cats who were having a heated discussion about fish.
