Red2Green (16yrs+)

Holiday Clubs: We are now taking bookings for our holiday clubs for over 16s with autism spectrum conditions. Our workshops are all designed to help you progress and develop, meet different people, learn something new, practice work skills and develop self-confidence, as well as the chance to get involved in peer mentoring.

Half term

Thurs 1 June: We will be recycling unwanted items to create a useful blackboard to use or give as a gift.

Summer Programme

Workshops will run every Tuesday and Thursday (starting 18 July) throughout the summer holidays with an extra trip to Newmarket and the horseracing museum on Wednesday 19 July.

Tues 18, 25 July, 1, 8, 15, 22, 29 August and 5 September

Our exciting new upcycling project involves learning practical hands on upcycling skills including sourcing furniture, pricing and marketing sale items, as well as volunteering and community engagement.

Thurs 20, 27 July, 3, 10, 17, 24, 31 August and 7 September

Our innovative independent living skills workshops are perfect for anyone wishing to increase their independence, as well as those at school/college who may benefit from this useful and very practical holiday activity. Supported trips out, shopping and travel training and cookery are just a few of the items included.

New Sort Courses

"Crafty Sew and Sows" project teaches, and then supports learners, to share the skills our grandparents took for.

We also offer:

- a life skills programme for anyone with autism and challenging behaviour typically with 1:1 or 2:1 support?
- our own minibs transport service?

- one-to-one support for anyone taking part in our activities for just £15/hr?
