

# Weekly Challenges!

**Week beginning 8th June 2020**

Go either outside or near an open window. What sounds can you hear? Can you hear birds? Cars? The wind? Are they loud noises or quiet noises?

Make some salt dough and practise pushing down on the dough to make it flat. Can you make a sun out of your dough?

Explore some water and different containers. Practise filling and emptying them. When is the container full? When is it empty?

Once your salt dough has been cooked paint it using your hands and fingers, or your feet and toes, or a brush or a sponge.

Remember to smile and laugh

We will be contacting you twice a week either by phone or email but if there are any issues or if you just need to talk then please just email or ring us! Please send us photos of what you are up to as we miss you all!
