

Monday

By Gabby and Leyton

On Monday we did singing. The singing was amazing and loud but it was fun. We did some dancing. We had a teacher called Natalie who is a dancer. At the end of the day we had a foot spa. The foot spa was relaxing. It made your foot really soft.

We made a really big den in the classroom. The tent was awesome and it was dark. In the tent we played Uno and it was a bit overheated. It was also spooky.

We made bags. They were beautiful and all different.

Tuesday

By Samsoor and Nadia

On Tuesday at Milton Country Park we had our lunch. Helen staggered with the huge boxes of Domino's pizza to the marquee. The pizzas were tasty, enormous and delicious. My favourite was the peperoni.

We had a ride on some amazing bikes. Some bikes you have to push them with your hands. It is really hard work. The other bikes had three or four wheels or seats for our friends. They were very exciting. My favourite was the two wheeler with pedals. I rode it on my own.

Wednesday

By Cameron and Andrew

On Wednesday we made amazing giant bubbles using baking soda, washing up liquid and water. We went outside to do this. We drenched our rods in the bubble liquid then we lifted it out then the wind blew onto it to make giant, incredible amazing bubbles

We did static electricity and we borrowed from Linton Village College a Van der Graff generator. I did not go on it but a lot of people went on it. Their hair went up and some of them got a shock.

Thursday

By Joshua and Maddy

We went to Duxford. I liked the Airspace Museum. The flying game was awesome and the missile was speedy. The hot air balloon was really big and there was a lot of planes. We went inside Concorde and it was long and skinny. We saw the red light flashing and I saw the controls.

We saw the French Arrows. They were noisy and we saw smoke coming out. It was red and white and blue. One of them did a barrel roll.

Friday

By Joshua W and Tobie

On Friday we made the delicious sandwich. I made corned beef with lettuce sandwich and Tobie made ham sandwich and we all sat together on the carpet with blankets. Then we all talked together. Then me and Cameron got the Henry. Then I hoovered up the rubbish and we went out to play.

We went to Linton Park. Some of us played on the play equipment and some of us played on the skate ramp. The people on the playground were Cameron and Andrew. The people who went on the skate ramp was Joshua, Olivia, Nadia, Maddy, Joshua, Leyton and me.
