

Eastern Region Panathlon finals Harlow 20/03/17

A squad of 15 KS3/4/5 pupils went to Harlow representing Cambridgeshire in the regional finals, competing against teams from Thurrock, Hertfordshire and Suffolk

They all played so well showing lots of team spirit, enthusiasm and motivation and were a real credit to the school

The table cricket team came out winners in their league winning all their games

The curling and boccia teams were unlucky, winning a game each and the poly bat team played hard losing their last game to an awesome team from Thurrock

A tense momentWaiting for the results

Overall we finished third and everyone was pleased with their bronze medal
