Can you find the nouns in the sentence?

- The wolf blew the house down.

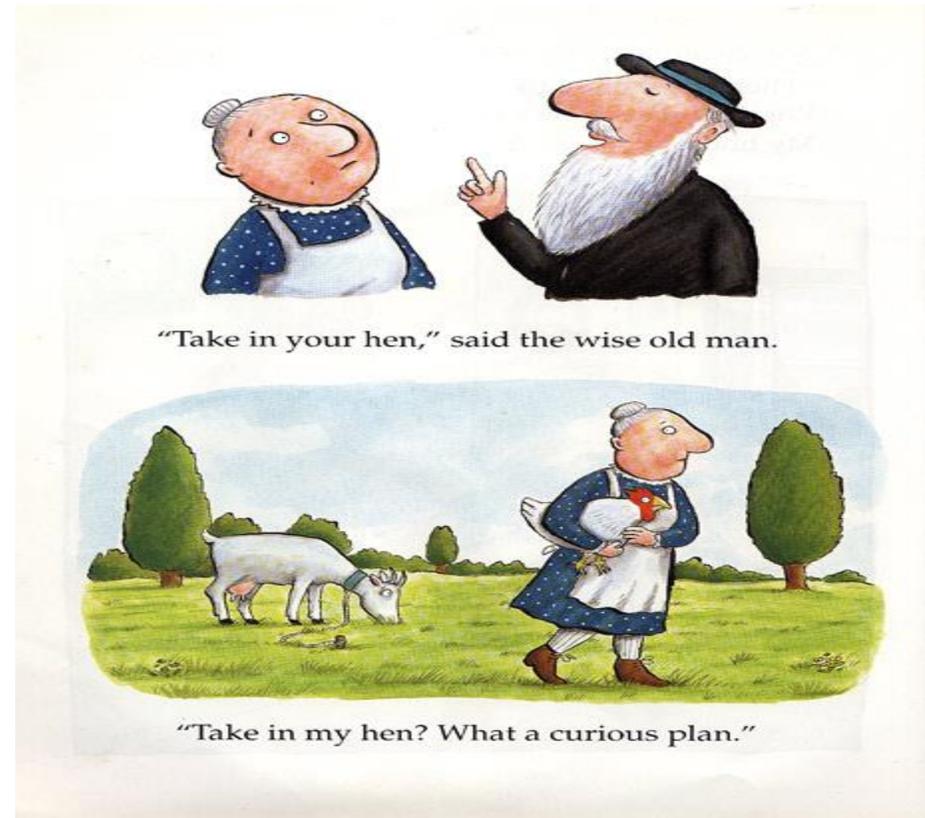

Can you find the nouns in the sentence?

- The table had plates and bowls.

Can you find the nouns in the sentence?

- The lady took the hen and the goat into her house.

Adults please let me know by email if they knew which the nouns were. Thank you.

If you can, do some Purple Mash phonics for me. I can put them up as 2dos for you.

- Just let me know by email.

The screenshot shows the Purple Mash website interface. At the top, there is a navigation bar with icons for Home, 2Dos, Work, Data, Sharing, Teachers, Admin, Help, and Alerts. The user is logged in as Helen Granta School. Below the navigation bar, there is a search bar and an 'Add filter' button. The main content area displays several educational tools and resources, including:

- Text Toolkit
- 2Create a Story
- 2Publish
- 2Publish Plus
- 2Handwrite
- 2Write
- 2Connect
- Mashcams
- 2Type

Below the main content area, there is a section labeled 'SPAG:' (Spelling, Punctuation, and Grammar) which includes:

- Spelling Resources
- Grammar
- Phonics
