

English:

In English we will be studying the classic play 'An Inspector Calls'. We will be looking at the historical context of the play as well as character analysis and structure.

Art/ Creative:

In Creative we will be looking at art from other cultures, including African masks, Aboriginal art and Indian Mandalas amongst others.

PSHE:

In PSHE we are looking at body image—where do we develop our body image from? What influences are harmful to our body image and how we can improve our body image.

ICT:

ICT will be exploring computer input and outputs, and how these are used in everyday computing.

Science:

This term we will be looking at the biology and chemistry of plants and our environment. We will be growing different types of plants in class and exploring their differing properties.

Maths:

We will be looking at shape, exploring 2D and 3D and how to calculate area.

R.E:

In R.E we will be exploring the existence of God—how do different religions present the existence of God?

P.E:

In P.E. we will be taking part in Dodgeball, developing our balance, core strength and coordination skills.

Skills for Life:

In Skills we will be exploring the world of banking and personal finance, looking at current accounts, savings accounts, credit and debit cards.
