Exercises on a trampoline can improve muscle tone, flexibility and provide a host of stimulating sensory experiences. It can also provide improved balance and spatial awareness.

You can develop new skills that bring a tremendous sense of achievement or just enjoy the pure sensation that bouncing on a trampoline provides.

Sessions are delivered by a qualified Rebound Therapist and Inclusive Multi Sports Coach. As well as the health and fitness benefits, best of all - Jump Club is fun!

1:1 sessions are available upon request. First session is free. There are limited spaces so pre-booking is essential. For bookings and further information contact John Beck

### **Sport Inclusion Course**

Would you like to take part in a 3 hour sports inclusion course FREE of charge? The course is aimed at volunteers and family members who would like to facilitate the delivery of sports activities for people with disabilities. The course is 3 hours long and is practical, so lots of fun! Participants will come away with ideas for activities they can put into action straight away with the young people they support. It will touch

on specific sports but the main content will be generic physical activity and tasks. For example looking at different equipment for different abilities / needs and how changing something like equipment size or speed can alter how attainable a task is. That's just one area and one example. Please see the link below for a little more information about the programme:

<http://www.sportscoachuk.org/site-tools/workshops/sainsburys-active-kids-all-inclusive-community-training-ak4a-ict>

We are hosting a course specifically for Eddie's but we need a minimum of 15 people to go ahead with the course, which will be held **between 10am and 1pm on Saturday 8 July at Tillage Hall in Waterbeach** – walking distance from the railway station and with ample parking. Details will be confirmed once we know we have enough participants.

If you would like to participate in this course, please let Vicky at Eddie's [vicky.baddeley@eddies.org.uk](mailto:vicky.baddeley@eddies.org.uk) know by **Monday 5 June 2017**.
