## How it Works/What to Do:

- Visit each of the landmarks as you do TDM to get to know Cambridgeshire. **Find out what you didn't know!**
- Start where you like on the map and then follow the yellow arrows. Jog, run or walk the miles between each landmark, crossing off your miles as you complete them.
- There are 120 miles in total, so for each Daily Mile you complete, cross off one box on the map (4 map miles). Count how many days it takes you in total to **'Get to Know Cambridgeshire'**.
- Find out at least **2 facts** about each landmark whilst you are completing that leg of your journey, write them in the boxes provided.
