

POST CARD

Writer's checklist - tick which you have done

	My postcard begins and ends appropriately.
	Text is organised into paragraphs.
	I have remembered full stops and capital letters.
	I have tried to use commas and not just for lists.
	Vocabulary is interesting and original.
	Does the photograph complement your writing?
	Appropriate font, size and colour selected for my audience.
	Were you able to type fast enough?
