

GRANTA SCHOOL MISSION STATEMENT

We aim to promote independence and life skills development for all students, personalising learning and taking into account their starting points, needs and abilities.

We aim to keep all our students and staff safe at all times. We educate our students on how to keep themselves safe in daily life and work with our families to support this.

We ensure everyone within our community feels a sense of belonging at school. We promote friendships, a sense of self and include everyone within class and school activities, taking into account their choices and feelings.

We provide our students with a wide range of fulfilling, fun experiences so that they can identify what makes them happy and what they like. We foster a sense of personal wellbeing, working closely with families.
